(Mr. Bathgate) 0 BEFORE THE HON. CHIEF JUSTICE, SIR JOHN SMALE, AND A SPECIAL JURY. WERSTER V. SASSOON AND CHATER. Mr. Hayllar, Q.C., instructed by Messrs, Broreten and Wotton, appeared for the plaintiff;

and the Hon. J. Russell, instructed by Messrs. Sharp, Toller, and Johnson, appeared for the defendants. The following are the jurors - Messrs. C. V. Smith, H. H. elson, T. Rose, J. B Coughtrie, T. Jackson, J. Bradlee Smith, and

This was again before the court yesterday morning, and also on Wednesday morning; The subject of the action is a disputed piece of ground running from the Queen's road to the Praya, between or forming part of Marine Lot, No. 14, or Marine Lot, No. 15. The first lot was formerly the ground occupied by the Oriental Bank Corporation, the second the lot on which Messrs. Arnhold, Karberg & Co.'s NORONHA, of No. 9, Zetland Street. few weeks ago in actual occupation of all the of Hongkong, on the 21st day of January, in the Oriental Bank Corporation premises and the for the said Bankrupt to pass his last examina-Chartered Bank, and that Messrs. Arn. old. Kerberg and Co., and that to restrain the defendants from p occeding with the works the plaintiff obtained an injunction until the hearing of the cause. The case for the plain. tiff is that all the ground to the westward of the TO-DAY, the 28th instant. castern wall of the O. B. O. premises on Marine Lot 14 always belonged to him, that as regards For the ORIENTAL BANK CORPORATION, all that ground save a small portion comprising the last reclamation made in 1861 or 1-62 he has had actual and undisturbed possession for over For the CHARTERED MERCANTILE BANK OF twenty years, and as regards the ground comprised on the last reclamation, it was a continuation of the other premises, that he paid forit, and had been in disputed possession since the reclamation took | For the CHARTERED BANK OF INDIA, AUSplace; that although the original Crown Lease. which is dated in 1844, domised the portion running

from the Queen's road about half the way of the centre ground, the north and south boundaries For the Compton D'Escompte DE PARIS were described as moustring 100 feet only, that such nicamrements were inaccurate in common with most of the leases granted by the Governexist and west-houndaries were not purallel, and that after the reclamations were made by tacit if not by express arrangement each party took the ground of which they were respectively in possession and have remained in such possession to the present time. The case for the defendants would appear to be that the original lot No. 15 was a right-angled parallelogram measuring in the North and South boundaries 100 feet respectively: that as each reclamation was made the eastern and western boundaries should have been continued in right lines, so that in no case could the owner of lot No. 15 have a greater broudth in the Praya or Queen's Road than 100 feet, and that lot took all the ground between the eastward of marine lot 15 and Pottinger-street. A good deal of documentary evidence and pertain old plans have been put in evidence on the part of the plaintiff, whose case in not yet closed, the evidence of Messrs. Wetten and Wilson, who had to leave the Colony before the trial, was taken de hene esse, and that, with affidavits made by them, was put in. To Chak, formerly draftsman to Messrs. Rawling, Medlen & Co.,

was cross-examined on an affidavit made by him, and Messrs. Tomlin and Nente of the Sarveyor General's Department were subpossed by the plaintiff to produce certain official documents; they were each examined, and crossexamined at considerble length. Their evidence lended to show that many of the old Crown leases were inaccurate as to the area of the ground demised that in most of such cases the tenants held more land than the loases professed to denise and that the practice has been for the tenants in thuse instances to surrender the old leases and take new leases of the whole premises at increased rents according to the extra ground. It transpired in the course of the case that it was the rule of the Surveyor General's Department not to grant new Crown Lienses in gazes where the boundaries of the lots were in dispute between the adjoining lotholders, and that this is the only case where a new lease was granted whilst such dispute

The pase stands adjourned until Monday next. the let proximo, at 9 a.m., when the plaintiff's onso will close and the defendant's case will be
